

WORKMAN GORED BY BULL IS DEAD

Injuries to Ross Stickle, Employee on Dunlop Farm, Prove Fatal.

PURCHASE OF THEATRES

Demurrer in Davis Case Will Be Argued Monday—Other Petersburg News.

Times-Dispatch Bureau,
109 North Sycamore Street,
Petersburg, Va., September 30.

Ross B. Stickle, employed on David Dunlop's "Ellerslie" farm, on Swift Creek, in Chesterfield county, who was gored by a bull on Thursday evening, died of his injuries in the Petersburg Hospital late last night. Mr. Stickle was a young man of fine character and a trusted employee on the farm. He had been warned against the bull, but considered him gentle and was not apprehensive of trouble. The attack was sudden, and would probably have been instantly fatal but for his rescue. His breast was torn and the point of the animal's horn pierced his lung. Mr. Stickle was twenty-nine years old, and formerly lived in Youngwood, Pa., to which place the body was shipped to-night, accompanied by an uncle and aunt, who had arrived at "Ellerslie" but a few hours before the accident. He is survived by his young wife and an infant.

Purchase of Theatres.
The Lyric Theatre on Sycamore Street and the "Idle Hour" Theatre on Halifax Street, owned by Mrs. Sarah B. Moore and husband, of Pittsburgh, Pa., have been purchased by John A. Bell, of the same city, the price paid being \$30,000. The Lyric has long been a popular resort, because of its motion pictures and light theatricals. The "Idle Hour" was for the amusement of the colored people.

Several Deaths.
Bernard J. Bernard, Jr., aged fifteen years, died last night of typhoid fever at his home in Chesterfield county. The funeral will take place Sunday afternoon at 3 o'clock, and the burial will be in Blandford Cemetery.
Mrs. Mary Pettway, aged fifty-eight years, of Prince George county, died last night in the Petersburg Hospital, where she was recently operated on. The remains will be taken to the home-land, in Prince George, for burial Sunday afternoon. Deceased was well known and respected in the city. She is survived by several children—all grown.

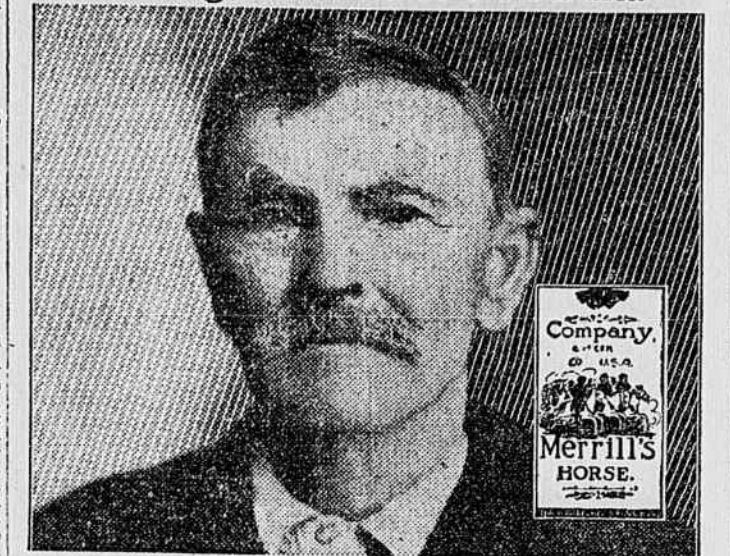

Miss Eliza F. Ashby, aged seventy-nine years, and esteemed by a large circle of friends, died last night at the residence of her nephew, W. G. Ashby, on Commerce Street. The funeral and burial will be in Woodlawn Baptist Cemetery, in Chesterfield county, to-morrow afternoon at 3 o'clock.
Mrs. May Elizabeth Daughtry, aged forty years, died yesterday in her home on Highland Terrace.

To Argue Demurrer.
The judges and witnesses in the Apomattox Trust Company case have been notified to report in the Circuit Court on Wednesday morning. It will then be known whether they will be needed. On Tuesday, counsel for Charles Hall Davis will file a demurrer in the pending indictment of thirty-five charges and \$25 counts, and enter a motion to quash. The day will be consumed in argument on these matters. On other legal points that have been raised, Judge Mullen is expected to render decision on Tuesday.

Missing Man Heard From.
Raymond A. Winner, who disappeared from his home in the western part of the city last Monday morning, and whose absence caused great distress and anxiety to his family and friends, has been heard from. A letter written to his wife, states that he is at Laurel, Md., where he has secured a good position. She will join him on an early day. Mr. Winner rode all

CATARRH ATTACKED HEAD BOWELS AND KIDNEYS

Famous Veteran now Healthy and Strong, Thanks to Pe-ru-na.

MR. LEWIS JENKINS.

Veteran of civil war and member famous Merrill's Cavalry.

Mr. Lewis Jenkins, R. F. D. 4, Chatham, Livingston Co., Missouri, veteran of the civil war and member of Merrill's Cavalry, writes: "Peruna has built up my health so I can do as much work in a day as a young man of twenty years, and I can recommend it everywhere."

"I was so bad with catarrh of the head and kidneys that I could not sleep at all. I went in a drug store, I saw a few bottles of it, and I asked the druggist if that was what it was put up for, and he said it was. So I bought a bottle and took it, and it commenced to relieve me so much that I kept on taking it, and it cleared everything like catarrh out of the system, and has cleared me of chronic diarrhoea, from camp life of the army of the civil war."

"I took cold a week ago. I got a bottle of it and am taking it, and my cold has about left me."

"I am a man of about sixty-five, and can do work of any kind. My strength is powerful, and the people ask me what I did that made me so stout. I tell them I took Peruna and cleared the catarrh out."

the way to Laurel on his bicycle, taking three days to do so.

Severely Injured.
W. L. Peebles, a prominent citizen of Dinwiddie, was severely injured several days ago by being thrown from and run over by a wagon loaded with lumber, near his home. One of his shoulders was broken, and he was otherwise hurt.

General News Notes.
The congregation of the Second Presbyterian Church is expecting some announcement from their pastor, the Rev. D. H. Rolston, to-morrow, relative to his call to the First Presbyterian Church in Charlotte, N. C.

To-morrow will be general rally day of congregation and Sunday school at West Street Methodist Episcopal Church. All of the day's services will have reference to this purpose, and an interesting program has been prepared. The Rev. R. H. Pitt, D. D., of Richmond, will preach at the First Baptist Church to-morrow.

The Colored Baptist Ministers' Conference of this city and vicinity will be held on Monday, the first of the conference year.

Mr. and Mrs. C. E. Faris, of Pleasant Grove, Va., announce the engagement of their daughter, Lillian Brown, to Earl T. Bartlett, of Emporia. The marriage will take place in the Pleasant Grove Methodist Church, October 15, at 10 A. M.

The Rev. J. T. Bosman, pastor of the

"I told the drug man I was not going to do without it if I had to send to the Peru-na Company. I think there is no better medicine for the old veteran of the civil war or for a person of my age than Peru-na. It does the work."

Bowels and Stomach.

Mr. S. A. Doolittle, 193 East First St., Corning, N. Y., writes: "I cannot speak too highly of Peru-na as a tonic and catarrh cure in whatever form or when located. I had a great deal of trouble with my bowels and Peru-na cured me."

"My son was very low with catarrh of the stomach, and after doctoring for seven weeks was worse than when he began. The doctor did not seem to understand his case. He commenced using Peru-na, which helped him right along, and he was soon at work again."

Could Hardly Breathe.

Mr. George McDougall, R. F. D. 1, Box 27, Mineral City, Ohio, writes: "After taking about six bottles of Peru-na I have been cured of catarrh. Before I started using it I could hardly sleep, and always had a pain in the back, and could hardly breathe. But now I feel like a new person, I am in such good health."

Market Street Methodist Episcopal Church, will to-morrow preach the first of a series of five special sermons on the doctrines of Methodism. His sermons will embrace the "Doctrines of Faith and Conduct," "The Kingdom of God," "Regeneration and the Witness of the Spirit."

Success of Postal Bank.
The postal savings depositary which was established in the Petersburg post-office has proved a very popular institution. There were a great many depositors on the first day. Yesterday this number was doubled and to-day the number has been largely increased. The number of depositors and the amount of deposits are not made public, but they are telegraphed each day to the department at Washington.

The Baptist Temple.
The board of deacons of West End Baptist Church, of which the Rev. A. R. Love is the pastor, has recommended that the name of the church be changed to "The Baptist Tabernacle," and the recommendation will be acted on at a meeting of the congregation next Wednesday night. Many improvements are to be made at the church—a new choir loft, a new pipe organ, and the whole interior improved.

Greater Prince George League.
The first general meeting of the Greater Prince George League, an organization having for its objects the material welfare and progress of the county, was held to-day at Lisputana. There was a large attendance of the farmers of the county, and a number of addresses on topics of special interest were delivered during the day. Among these were Governor Mann, Secretary William M. Martin, of the Petersburg Chamber of Commerce; Leroy Hodges, of the Southern Commercial Congress, and others. The day was productive of good results, and good feeling among the farmers of the county.

Subcommittee Called.
Robert Gilliam, of this city, chairman of the subcommittee of the Democratic State Committee, appointed to conduct the second primary for the nomination of candidates in Norfolk county, has called a meeting of his committee to be held in Monticello Hotel, Norfolk, on Tuesday.

The Proposed Bond Issue.
An ordinance providing for the issue of \$150,000 4 1/2 per cent. bonds of the city of Petersburg, for public improvements, which was presented at the last meeting of the Council and referred to the Finance Committee, has been approved and its passage recommended by that committee. The ordinance, under the rules, has to be over for thirty days before it can be considered. As thirty days will not have elapsed when the Council meets next Tuesday, the ordinance cannot be introduced at that meeting. There seems no doubt that it will pass when brought up.

ANNUAL RECEPTION

Y. M. C. A. and College Students Have Evening of Entertainment.

The annual reception of the Y. M. C. A. to the students of the medical colleges and Richmond College last night was a tremendous success from every standpoint. The Joseph Bryan Memorial Auditorium was filled to the limit, and many were there who failed to get seats. For an hour and a quarter, Folk Miller, Colonel Tom, and the quartet entertained them, after which two games of indoor baseball were played in the gymnasium, the first between the medical colleges, which the Medical College of Virginia won, followed by a game between the Medical College of Virginia and Richmond College, in which the Medical College of Virginia was also winner. The games were followed by refreshments. Following is the result of the two games:

First game—	R.

HENRICO COURT HAS BIG DOCKET

Many Criminal Cases to Be Called at the Term Opening To-morrow.

With the convening of Circuit Court to-morrow morning, Henrico county courthouse becomes again, for the next four or five weeks, the hub of the county's judicial activity. Eighteen criminal cases and a large number of civil actions are on the docket. Among the more important criminal cases will be that against Constable J. H. Samuels, charged with the murder of his son last Friday evening. It has not been officially announced, but the case will probably be tried by the present term.

First of the important cases of the present term is that of Edward Foster, the Henrico county farmer who is charged with a grave offense against Ada Catherine Meeks, an orphan girl of fifteen years, who was placed in his care by the Children's Home Society of Virginia. He was given a preliminary hearing before Justice T. Puryear last Monday, and remanded to the grand jury for examination. The case will be heard to-morrow morning at 10 o'clock.

The case of Commonwealth against Clarke for a statutory crime, continued from the last term of court, will be tried during this session, as well as the one against Kenny, indicted at the last term for criminal assault.

The criminal docket will consume about ten days, the rest of the five weeks' term being devoted to the trial of civil cases.

A copy of the letter to the Governor, asking an investigation, follows:
Richmond, Va., September 30, 1911.
Honorable William Hodges Mann, Governor State of Virginia, Richmond, Va.

Sir: Governor Mann.—We attach clipping from one of the daily papers of Richmond, which was published in said paper on Monday, September 25, which stated that the election of physician for the State Penitentiary was postponed until Saturday on account of one member of the board being advised that, under certain conditions, an investigation would be had in connection with the penitentiary. This statement is absolutely untrue.

In justice to the board we earnestly request that you transmit to the Legislature our request for a special commission to be appointed to make a thorough investigation of the management of the institution in every way, shape and form.

We have given the best service in our power to the institution and have striven on all occasions to act for the best interests of the penitentiary and of the State. In our opinion, there is absolutely nothing in connection with the transaction of the business of the institution which is not in every way

ANNUAL REUNION OF OLD SOLDIERS

(Special to The Times-Dispatch.)
Chatham, Va., September 30.—The annual reunion of the Confederate veterans of Petersburg county, under the auspices of the Rawley Martin Chapter, United Daughters of the Confederacy, was held in the open house to-day. The building had been elaborately decorated with Confederate colors, and the Confederate stars by a large choir added much to the joy of the delightful occasion. This was the seventy-first anniversary of Dr. Rawley Martin, of Lynchburg, after whom the chapter takes its name, and on the same date has fallen the reunion for several years. Splendid weather prevailed, and the number of those who were the great present was good, many coming from some distance. The speakers of the occasion were United States Senator

Swanson, Attorney-General Williams and Dr. R. W. Martin. All of the speeches were most appropriate and received with much enthusiasm.
Immediately following the speaking luncheon was served the veterans, the daughters serving. Nothing was overlooked to add to the pleasure and success of the day, and the old Confederates were very grateful to the daughters for the splendid celebration.
Rally day will be celebrated in the Presbyterian Sunday school Sunday, for which a very interesting program has been arranged. Mrs. Poole, wife of Rev. E. V. Poole, died at her home near Chester, Level Wednesday afternoon, and her body was taken to Raleigh, N. C., Thursday for interment.
Richard Willis, son of Mrs. L. M. Willis, principal of the Chatham Episcopal Institute, was taken sick several days ago and was taken to a hospital at Charlottesville for treatment.

Frederick Dawson, of Richmond, and Miss Susie C. Hendrick, of 701 West Marshall Street, were married yesterday in Wolford, N. C., by Magistrate D. E. Stainback.
